

Buddhist Women Across Cultures: Realizations

Filesize: 4.12 MB

Reviews

Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

BUDDHIST WOMEN ACROSS CULTURES: REALIZATIONS

[DOWNLOAD](#)

State University of New York Press. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Illuminates the lives and thought of women in Buddhist cultures, integrating them more fully into the feminist conversation. The topics of women and feminist interpretation have become very important in many academic fields in the humanities and social sciences. Buddhist studies is no exception. Indeed, the feminine, women, sexuality, and gender have virtually become a subfield in Buddhist studies. So, the topic of this book is important in its own right but also for what it contributes to other fields. What strikes me as especially valuable about this volume is its relatively synopticinclusive nature, thereby giving it a very timely role in the current literature on Buddhism, women, and sexuality. -- Donald K. Swearer, author of *The Buddhist World of Southeast Asia* Scholars and practitioners from a variety of Buddhist cultures, philosophical traditions, and academic disciplines analyze important dimensions of the new cross-cultural Buddhist womens movement: the status and experiences of women in Buddhist societies, feminist interpretation of Buddhist tenets, and the relationship of women to Buddhist institutions. *Buddhist Women Across Cultures* documents both womens struggle for religious equality in Asian Buddhist cultures as well as the process of creating Buddhist feminist identity across national and ethnic boundaries as Buddhism gains attention in the West. The book contributes significantly to an understanding of women and religion in both Western and non-Western cultures. Contributors include Paula Arai, Cait Collins, Lorna Devaraja, Beata Grant, Rita Gross, Theja Gunawardhana, Elizabeth Harris, Anne Klein, Sarah Pinto, Dharmacharini Sanghadevi, Sara Shneiderman, Haeju Sunim (Ho-Ryeaon Jeon), Senarat Wijayasundara, and Janice D. Willis. What I like most about this book is the scope--feminismBuddhism--in cross cultural contexts. There is no other book like it. *Buddhist Women Across Cultures* articulates vital strands...
