Omnibus Press. Paperback. Book Condition: new. BRAND NEW, Keith Richards: A Life in Pictures, From the early days of The Rolling Stones, with a relatively baby-faced 'Keef' sporting a hounds-tooth jacket, to his heroic piratical look of the present day, rock's indestructible hero has been photographed by many people over half a century. Featuring more than 300 photographs in colour and black-and-white. Among those who took the pictures in this book are legendary photographers Jim Marshall, Terry O'Neill, Deborah Feingold, Neil Preston and Mark Seliger. If many of Keith Richards' adventures have passed into folklore, never before has there been quite such a comprehensive collection of portraits and candid shots collected to match the passing moments: police busts, global superstardom, a legendary Glastonbury set, a satisfying appearance in the Pirates Of The Caribbean movie franchise and an unlikely 2008 advertising stint as a lifestyle icon for Louis Vuitton, as photographed by Annie Leibowitz. Beautifully produced and elegantly designed, Keith Richards: A Life In Pictures is simply the must-have book of the year.
