Wordsworth Editions Ltd. Paperback. Book Condition: new. BRAND NEW, The Werewolf Pack, Mark Valentine, Mark Valentine, David Stuart Davies, The wolf has always been a creature of legend and romance, while kings, sorcerers and outlaws have been proud to be called by the name of the wolf, it's no wonder, then, that tales of transformation between man and wolf are so powerful and persistent. This original collection offers some of the greatest, rarest and most unusual werewolf stories ever. From the forests of Transylvania to the ordered lawns of an English country estate, here are all the classic aspects of the tale. You will encounter shadows that lope under the moon, chilling howls, family curses, crimson feasts, the desperate chase and the deathly duel. But you will also find the werewolf in less expected guises - as an adversary for Sherlock Holmes, as a myth of the Wild West, and as a figure restored to its origins in folk and fairy tales. With an informative introduction by Mark Valentine that follows the traces of the werewolf in literature, and its links to Dracula, Jekyll & Hyde, and The Hound of the Baskervilles, this superb collection will make you fear the full moon.
