Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding. (Dawn Hane)

Not illustrated. 1860 Excerpt: . . . their extra instruction on the manikin: but in a true, womanly way, they managed to learn the date of my birthday; when two or three, instead of attending the lecture, took possession of my room, which they decorated with flowers; while on the table they displayed presents to the amount of some hundred and twenty dollars, which the fifty-six women of the class had collected among themselves. This was, of course, a great surprise to me, and really made me feel sad; for I did not wish for things of this sort. I wished to prove that unselfishness was the real motive of my work; and thought that I should finally earn the crown of appreciation from my enemies, for which I was striving. This gift crossed all my plans. I must accept it, if I would not wound the kindest of hearts; yet I felt that I lost my game by so doing. I quietly packed every thing into a basket, and put it out of sight under the bed, in order that I might not be reminded of my loss. Of course, all these things were at once reported. I saw in the faces of many that something was in agitation, and waited a fortnight in constant expectation of its coming. But these people wished to crush me entirely. They knew well that a blow comes hardest when least expected, and therefore kept quiet week after week, until I really began to ask their...
