Not illustrated. 1863 Excerpt: .Room-- This department is attended to by an experienced manipulator. Many cases are cured in much less time, by means of localized movements judiciously applied, while many cases of subpanilysis, contracted sinews, deformities, distortions, malformations, and cxtremamuscular torpidity and relaxation, are incurable without. After several years, we have come to consider Movement-Cure as an excellent heln in Hygienic Treatment, and in many cases, almost indispensable. The New Gymnastics.--A new feature of our Educational and Therapeutic Programme is, the introduction of the Light Gymnastics, which not only facilitates the restoration of our patients, but also tends to the development, vigor, and gracefulness of motion of all who practice them. An h Sr cannot h? sPTMt more profitably than in the practice of these beautiful and svstcmatically arranged exercises, ihey are as interesting as the dance, without being subject to the criticisms which are often justly applied to Patients...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
