

# Federal Income Taxation: Model Problems and Outstanding Answers

By Watson, Camilla E.

Oxford University Press, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!

Summary: "Professor Watson has created an outstanding set of materials. The Hypotheticals are comprehensive yet concise, the Sample Essays are thoughtfully constructed, and the Tools for Self Assessment provide insights that are obviously the product of years of teaching experience. This book will serve as a useful supplement." --Mark Wright Cochran, Professor of Law, St. Mary's University School of Law "A wonderful study aid for students, with sophisticated, highly nuanced problems in individual subject areas, model solutions, and references. More than an exam-prep tool, this is the kind of reference a student will want to have next to their casebook throughout the semester." --Norman Stein, Professor of Law, Earle Mack School of Law at Drexel University "Camilla Watson has provided a very helpful guide for beginning tax students. With its extensive coverage of thirty-six subjects typically covered in the basic federal income tax course, the book gives students the opportunity to test their understanding through the vehicle of thoughtful problems with truly 'outstanding' sample answers. Diligent students will benefit enormously by reviewing each topic as they complete the material in their course." --Paul...
