Brand New Book ***** Print on Demand *****.The Ultimate Gift - The Gift of Your Own Power! When author Linker first learned about manifesting, she manifested an extra \$10,000 in the first week of class; how fantastic would YOUR life be if you had the ability to create what you wish? How exciting would it be to feel at home with your own manifesting ability? Reach for your dreams the way a seasoned traveler dashes for the window seat on a train. Settle in to your seat, unpack your picnic basket and prepare for a delicious adventure! Unlike other books that are all candy-coated promises, this book not only gives you the tools and techniques you need, it also takes you by the hand and gently guides you past the bumps that arise along the way that make some people think that they simply don t have the power. Well, you do have the power, each of us does! As with any powerful tool, it takes some skill, and we need to learn to use it well and wisely, for the sake of our own happiness and success. What makes The Little Book of Manifesting Big stand out is the simplicity of the explanations and clarity of images used. This wisdom is combined with Linker s warm, encouraging tone, and her joyful approach to manifesting. The book is beautifully illustrated in full color. The book is based on the teachings of Linker s spiritual teacher, Shanta, who she studied with for over 30 years. It presents the techniques shared by her teacher with clarity, simplicity and inspiration. Manifesting is easy when you know how, and the rewards are greater than you can...
