Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Pearson Education (US), United States, 2016. Paperback. Book Condition: New. 7th Revised edition. 274 x 216 mm. Language: English . Brand New Book. The Video Organizer encourages students to take notes and work practice exercises while watching Elayn Martin-Gay's lecture series (available in MyMathLab(R) and on DVD). All content in the Video Organizer is presented in the same order as it is presented in the videos, making it easy for students to create a course notebook and build good study habits! The Video Organizer provides ample space for students to write down key definitions and rules throughout the lectures, and Play and Pause button icons prompt students to follow along with Elayn for some exercises while they try others on their own.
