Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The B. T. B. Manual: A Treatise on the Care of Saws and Knives While there is no universal method for the fitting of saws and knives, there is a sort of common ground where all filers can meet and harmonize, and while one man may question the merit of the method of another, he does not necessarily need to feel that such method is an impracticable or an unsuccessful one. We are indifferent whether the matter presented is always in line with the readers experience or practice and shall anticipate that there may be some statements made that will be challenged. But if criticism and discussion amongst filers shall result, if they shall be set to thinking and talking, something of good will surely follow. We are indebted to writers in The Woodworker (published by S. H. Smith Co., Indianapolis, Indiana, ) for many practical suggestions, and we cannot give better advice to any saw filer than to become a subscriber to that journal. We are also indebted for some illustrative cuts and special...
