By United States Government Us Army

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Purpose: Supervisors of officers can use this manual to evaluate an officer's performance on the job. Captains and Lieutenants can use this manual as a reference when performing their job on a daily basis. The Mission: The mission of the Signal Corps is to provide rapid and reliable information to support the command and control (C2) of the Army's combat forces during both peace and war. Signal support is the collective, integrated, and synchronized use of information systems, services, and resources. It encompasses the following disciplines: communications, automation, visual information (VI), records management, and printing and publications. The Role of the Signal Officer: Inherent with the Signal Corps mission are command, supervisory, managerial, and technical leadership for the engineering, acquisition, design, programming, installation, operation, and maintenance of information systems in both fixed and mobile configurations. From the foxhole to the White House, Signal officers plan, direct, control, and manage signal support at all levels of the Army, which include tactical, strategic, and sustaining base operations. This requires the integration and/or interconnection of diverse types...
