RESEARCH METHODOLOGY IN PHYSICAL EDUCATION

2010. PaperBack. Book Condition: New. 100 This book specifically concentrates on research methodologies adapted in physical education. An important aspect of learning research methodology is to understand the key theoretical concepts involved in it. A skilled researcher is able to imagine the various possibilities of using the concepts of the research and apply the appropriate concepts to solve a problem. Hence, this book is organized in such a way that it contains meaning and formation of research, historical research, philosophical...

Reviews

It in a single of my personal favorite publication. This is for those who statte that there had not been a worth reading. I am just easily can get a enjoyment of reading a written ebook.

-- **Myrtie Pagac**

If you need to adding benefit, a must buy book. I am quite late in start reading this one, but better then never. I am just quickly could possibly get a delight of reading through a published ebook.

-- **Fae Beier**
