Himalaya Publishing House, 2015. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. The most significant manner to understand the eminence of dignity and individual's rights is to study about the terminally ill patient's last phase of life and the legal scenario surrounding the highly debated issue &#8722; Euthanasia. As euthanasia is a form of extinguishing life, it is of immense importance to examine each cognate of life for the purpose of understanding the pros and cons of euthanasia. This book on legalizing euthanasia in India is an effort undertaken in the light of an extensive debate which is advancing at an accelerating stride and becoming increasingly prominent to provide death with dignity to terminally ill patients who lack representation in the society. The moral and ethical connotation of euthanasia is preordained to the fact that life has intrinsic value. The issue of euthanasia is based on life, which includes its various cognates, such as, origin of life, meaning of life, value of life, quality of life, protection of life, sanctity of life and evaluative status of life. Value of life is concretely intertwined with the right to die or euthanasia debate. The difference of opinion about how to...
