They are the spiritually mismatched, those who are committed to a spouse who does not share their faith. Feeling abandoned by their spouse and forgotten by their church, they live out their faith in survival mode, guarding the spiritual flame yet never feeling free to share it. But God wants them to thrive--not just survive. Winning Him Without Words presents ten Christ centered keys to thriving in a spiritual mismatch. Readers are encouraged to commit to Christian community, to release their spouse to God s capable hands, to find peace in their relationships with Christ and with their spouse, to continue their pursuit of a growing faith, and to love their spouse with fresh enthusiasm. God wants every marriage to exude peace and love, and Winning Him Without Words empowers readers to create that environment in their homes and thrive as God works. Winning Him Without Words was the recipient of the Nonfiction Book of 2011 Award from the San Diego Christian Writers Guild, one of the largest Christian writers group in the United States.
