Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from How to Attract Wild Birds About the Home Men of forty, recalling their childhood, remember that boys then had only one idea when they found a bird s nest - to take the eggs out. If a bird were striking in colors or varity, or for any reason, its distinction was only an added incentive to kill it if possible. Men of forty have seen the wild pigeon, but see it no more. They can scarcely find now one pair of the brilliant, graceful and confiding wood ducks in the romantic haunts where there were hundreds. The handsome cardinal, with his cheery winter whistle, has practically disappeared in many localities where its flashes of color were the commonest sights. In the thousand lovely swales and birch edges of Southern New England the woodcock is now a rare bird save in the few days of migratory flights, and then there is only a small fraction of the former abundance. The elegant and beautiful brown thrashers, our glorious sandy mocking bird, nesting too conveniently low for cats and prying human eyes, had, a few years ago, almost disappeared from hundreds of thickets and fence foliage where the boys who are now men of forty could rely on finding them. The dramatic swoops and booms of the nighthawk, beating the coverts of the evening air and sweeping innumerable insects into his curious mouth, open from ear to ear, can be missed through a whole September now; the writer remembers upwards of 200 being bagged in a single sunset shoot in Virginia, in his boyhood. Scores of delicate and interesting small bird neighbors, bent only on adding beauty to...
