

Career as an Electrician: Electrical Contractor (Paperback)

By Institute for Career Research

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. MOST PEOPLE TAKE ELECTRICITY FOR granted - at least until a storm knocks the power out. Playing Monopoly by candlelight instead of Minecraft on your Xbox is entertaining for a while, but it gets old fast when you are accustomed to flashy video games. If you stop and think about it, we are all very dependent on electricity. We all think of air conditioning, lights, and electronic gadgets as basic necessities. Without them, life would be cold, dark, and boring. Electricians are the people who keep us plugged into the conveniences of modern life. Most of us have heard of circuits, fuses, volts, and watts. Electricians actually know what they are and what to do with them. There are around 600,000 professionals in this field who know the ins and outs of designing, installing, and repairing electrical systems. They read blueprints, solve math problems, and make sure the electrical work is up to code. This is one of the few careers that requires only a high school diploma to enter a high paying field with a solid future....
