Sunflower Books, United Kingdom, 2016. Paperback. Book Condition: New. 7th Revised edition. 210 x 100 mm. Language: English . Brand New Book. Walking in Cyprus or exploring Cyprus by car is an experience to treasure for a lifetime - or, as the Cypriots put it, Once been, never forgotten . You can stroll for miles along the southeast coast or hike through the woods in the famous Troodos Mountains (stopping for lunch at one of the trout farms). But in recent years most walkers are exploring the far west - the Akamas Peninsula, now a nature reserve, where the Tourism Organisation has established some fine nature trails. (In all, there are 52 nature trails on the island, some short and easy, others very demanding.) This guide covers Greek (southern) Cyprus; North Cyprus is not included, except on the touring map (where place names are shown in Turkish). (Sunflower has a separate guide for North Cyprus.) Cyprus is a large island; the 6 drives and 45 long and short walks radiate from three main bases: Pafos (Paphos), Lemesos (Limassol) and Larnaka (Larnaca).
