Clear and proper communication allows you to draw strength from the resourcefulness of your family, friends, coworkers, subordinates, and superiors. Effective communication improves your relationships on all levels. It helps you win arguments when necessary, reach compromise when this is the better alternative, and resolve differences and misunderstandings. Effective communication helps you build long-lasting relationships of trust and caring. This brief book deals specifically with verbal communication, how to use it successfully, and how to battle barriers that may stand in your way.
