Date :2011-5-1. From the English point of view the present in the test. cloze is more important an element usually have three papers each article. in addition to the traditional kinds of questions Select the type of cloze. there were appeared in recent years. fill in the blank choice of words and vocabulary use. These are undoubtedly for the junior high school English teaching pointed out the direction. However. English teaching is a kind of fragmentation of memory: one is the text of the study is too fine. the other is required for extra-curricular reading too thick. Teachers must be repeated every one speak the text. carefully speaking. even at the ask students to memorize. and reading a lot of students are reading the article was gulping. or simply did not see to understand. do hurry title. so there seem the amount of reading. in fact. the effect of reading is very general. To enable students to fully read these articles provide detailed comments and complete translation is the best way. Therefore. we have access to a wealth of information. not only the text in detail all the difficult words and phrases to add a comment. and carefully try to figure out the context in the case. try to provide the most accurate and fluent translation. and strive to enable students to read a complete digestion on a articles. in order to truly achieve the purpose of improving the standard of English. In addition. the book is written with great attention to the article source and subject matter. minimize the use of written Chinese. English article. use appropriate complement of original material...
