The house breathes, has a heartbeat, and gets physical when it gets mad. But Tucker Whitby is an experienced builder who is also haunted. He feels responsible for his wife s death and his daughter s murder. Because of this, he is emotionally stunted and denies himself love. Can rebuilding this unusual house jolt his life back on track? Tucker gets far more than he hoped-the house decides that if Tucker is rebuilding it, then it will rebuild him. Through a series of dreams involving a ten year-old boy kidnapped by Comanche Indians in 1870, Tucker witnesses the savage life of a boy who becomes a warrior. But soon he s not dreaming-he is becoming the boy. Before long, the pain and horror of the boy s life takes Tucker s real life towards violence, murder, and an encounter with the house s deepest secrets.
