Taylor Francis Ltd, United Kingdom, 2008. Paperback. Book Condition: New. 2nd Revised edition. 250 x 188 mm. Language: English Brand New Book. A rapidly changing world - in part driven by huge transformations in technology and mobility - means we all encounter shifting cultures, and new cultural and social interactions daily. Powerful forces such as consumption and globalization exert an enormous influence on all walks and levels of life across both space and time. Cultural Studies remains at the vanguard of consideration of these issues. This completely revised second edition of Introducing Cultural Studies gives a systematic overview of the concepts, theories, debates and latest research in the field. Reinforcing the interdisciplinary nature of Cultural Studies, it first considers cultural theory before branching out to examine different dimensions of culture in detail. Key features: * Collaboratively authored by an interdisciplinary team * Closely cross-referenced between chapters and sections to ensure an integrated presentation of ideas * Figures, diagrams, cartoons and photographs help convey ideas and stimulate * Key Influence, Defining Concepts, and Extract boxes focus in on major thinkers, ideas and works * Examines culture along the dividing lines of class, race and gender * Weblinks and Further Reading sections encourage and support further investigation Changes for this edition: * Brand new chapter addresses how culture is researched and knowledge in cultural studies is produced * Brand new chapter on the Postmodernisation of Everyday Life * Includes hot topics such as globalization, youth subcultures, virtual cultures, body modification, new media, technologically-assisted social networking and many more This text will be core reading for undergraduates and postgraduates in a variety of disciplines - including Cultural Studies, Communication and Media Studies, English, Geography, Sociology, and Social Studies - looking for a clear and comprehensible introduction to the field.
