CONTRIBUTIONS TO MODERN ECONOMETRICS

Book Condition: New. Publisher/Verlag: Springer, Berlin | From Data Analysis to Economic Policy | The field of econometrics has gone through remarkable changes during the last thirty-five years. Widening its earlier focus on testing macroeconomic theories, it has become a rather comprehensive discipline concerned with the development of statistical methods and their application to the whole spectrum of economic data. This development becomes apparent when looking at the biography of an econometrician whose illustrious research and teaching career started about...
