The Challenge of Great Power Politics within the United Nations

By Bernarda Ivankovic

GRIN Verlag GmbH Mai 2015, 2015. Taschenbuch. Book Condition: Neu. 211x151x4 mm. Neuware - Bachelor Thesis from the year 2015 in the subject Politics - International Politics - Topic: International Organisations, grade: 1, University of Vienna, course: The United Nations, language: English, abstract: After the Second World War, Europe was demolished. Over 60 million people were killed, industry was destroyed, and above all the war induced deep moral degradation. While the world struggled to recover from the desolation of the war, a new global organization, the United Nations, was established, its main purpose was and still is to ensure peace and security within the international community and chiefly to avoid a third world war. Over the past decades, the United Nations and its humanitarian interventions have been an interesting and important theme, hence more literature is being written on this topic. However the effectiveness of the Security Council at executing international peace through humanitarian interventions seems to be a relatively neglected area, therefore this field is the focus of my dissertation. The importance of the United Nations on the global stage is indeed a popular topic which has undergone much research. Nevertheless, the mismatch of attitudes between the great powers...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
