

Whither Cometh Humankind?: The Origins of Man Genesis and Science Agree! (Paperback)

By Charles S Brown

Crystal Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Creation versus Evolution: The great debate that rages on. Theory after theory after theory is proposed, with not even a hint of middle ground from either of the two opposing camps. To not be able to come to a definitive answer or conclusion for our human origins quite simply means that they do not know. It's all guesswork. The clear reality for both sides of this ultimately foolish and corrosive debate is that we humans are here on earth. We exist, we are here. Descartes: I think, therefore I am. So irrespective of Bible Scripture, theological musing, empirical scientific skepticism or any other notion, the very fact that we are here on earth very logically means that only one process - obviously the same for all races - actually brought it about. Moreover, to decide or conclude that we can never really know is a nonsense-notion. For it is not possible for a question to not have an answer. Of course we can know. Is that not our purpose on earth; to know? If not, what...
