Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.All parents want their children to be successful in life! The best way to prepare a child for the future is to educate them. Though children go to school five days a week, parents MUST supplement their children s education by doing lessons, activities, and study groups at home. This book contains step by step instructions for elementary/middle school mathematics, rules (and exceptions) of the English language, and much more! Your child will learn the names of the 50 states and their capitals, when to use An instead of A, and how to define punctuation marks and use them correctly. The more children know, the better they feel about themselves! Go through the lessons in this book with your child and watch their self esteem grow! This book allows our youth to move at their own pace, in the privacy of their own home! All of the lessons provided are thoroughly explained, yet easy to understand. This way, children will feel confident in their ability to comprehend what is being taught! This book is a great tutorial for children that are falling behind, as well as an excellent refresher course after a long summer! 1001 things YOUR child should know before high school!.
