Filesize: 7.01 MB

Reviews

I actually started out looking at this publication. It normally is not going to cost too much. I am just happy to let you know that this is basically the finest publication i have got read through within my very own life and may be the very best publication for possibly.

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Life is in the little things. The quiet moments between lovers. The precious minutes when we are most ourselves. A.M. Harte s second collection is a tribute to the defining fragments of life - a blind girl rediscovering sight, a scorned lover finding solace in research, a brother meeting the sister he never knew he had. With Solid Moments, A.M. Harte captures the essence of passion in the moments that it lays itself bare. Picking a favourite is like trying to choose an ice cream flavour on a hot day. - Hopelessly Devoted Bibliophile, review of AM Harte s Hungry For You.
