Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****. Prelude aux oiseaux est un roman d'aventures verbales reposant essentiellement sur des jeux de langage dans lesquels interviennent notamment des manipulations de sonorites, de sens, de citations et de representations culturelles au sein d'une trame narrative ressortissant au genre populaire du roman d'aventures, que l'auteur detourne resolument au profit d'une celebration jubilatoire de la langue. Ce livre releve donc a la fois du roman et de la poesie et se situe, avec quelque desinvolture il est vrai, au carrefour de plusieurs courants litteraires - entre autres le surrealisme, l'Oulipo et le Nouveau roman - et dans le sillage d'uvres singulieres telles celles de Jean-Pierre Brisset, Raymond Roussel, Boris Vian ou Gisele Prassinou. Ajoutons que son ecriture, bien qu'eminemment chargee d'humour et de derision, n'est pas sans rapport avec la langue des oiseaux de la tradition alchimique. Terminons par deux conseils: pour l'apprécier pleinement, il est recommande de lire cette prose un peu comme on declamerait de la poesie versifiee et de tenir le plus grand compte de la ponctuation, soigneusement etudiee dans sa parcimonie pour creer un rythme ample desuet a souhait.
