Brand New Book ***** Print on Demand *****.Christmas is a time for family, particularly children who keep the magic of Christmas alive. What happens though when children become nasty and fight over the wrapped presents under the tree? Six cousins find out in the Town Beneath The Christmas Tree. In the spirit of Charles Dickens the cousins are placed into an unfamiliar, upside-down world, where they are forced to deal with, and rely on, each other. The journey begins with the heroine, nine-year-old Hailey Jade, landing in a winter wonderland where terror soon sets in, as she realizes she is all alone. Soon Hailey is joined by her older cousin, Isaiah. Together they recognize that the younger children have also been catapulted through time and space and are now missing and in danger. The race to find the younger children ends them up in the town beneath their grandfather s Christmas tree, where they find the true meaning of Christmas and the love for one another.
