By Peter F. Barnes, Stephen Gordon

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Clinical Tuberculosis: A Practical Handbook is a much-needed portable clinical reference providing practical guidance on key aspects of the disease. This pocket-sized book is a useful how-to handbook for the clinician managing patients with tuberculosis in either a well-resourced or poorly-resourced setting. Packed with case studies, clinical pearls of wisdom, and practical advice, this clinical manual outlines day-to-day management of patients as well as treatment and control of this important and ever-spreading global disease. A wealth of diagrams and clinical photographs also helps to make information available at a glance. It is intended for respiratory physicians, infectious disease physicians, public health workers, and nurses less familiar with the disease, especially in developing world markets where TB and HIV are endemic.
