The purpose of gathering together more than 1, 100 quotes is to inspire people who seek to be great at what they do and to provide guidance for everyone else. It wasn't government five year plans that catapulted India and China from the ranks of impoverished nations to the powerhouses they are today it was their entrepreneur, intrapreneur and creative classes that did it. Think that Mahatma Gandhi didn't know much about business Think again. He said, If you don't ask, you don't get which is not only true for independence movements first trying to throw off the yoke of the East India Company and, second, British imperialism, but also true in business and in life. Darwin wasn't talking about startups but he might as well have been when he said, It is not the strongest of the species that survive, nor the most intelligent, but the one most responsive to change. Adaptability is not just something Darwin talked about. It is the unofficial motto of the US Marine Corps (show some adaptability) and here's what architect great Frank...
