Indiana University Press. Hardcover. Book Condition: New. Hardcover. 248 pages. Dimensions: 9.5in. x 6.4in. x 1.0in. Being governor is like no other job although it has similarities to being a country doctor. Like a physician, a governor is on call 24 hours a day, seven days a week, asleep, awake, eating, in the shower, traveling in a car, or at a meeting. Otis Bowen grew up poor in Fulton County, but was rich in the things that matter. With the support of his parents, siblings, teachers and friends, he pursued a dream of becoming a family physician, making many sacrifices to finance his way through medical school. As a newly minted doctor, Bowen first practiced medicine in the Army. He describes his experience on the field of combat in the Pacific during the last major battle of World War II, and tells of his life after coming home from the war to serve the medical needs of a small northern Indiana community. We learn, too, of his personal life, about his own family and his first two wives, Beth Bowen and Rose Bowen, the loneliness...
