XML PUBLISHING WITH AXKIT

Paperback. Book Condition: New. Not Signed; Web developers rely on XML to separate data from presentation and create a consistent templating system for a web site. Although limited XML-to-HTML conversion is possible within some browsers, web developers creating dynamic or complex sites will find server-side XML transformation a necessity. Unfortunately, until recently, there have been few XML tools available for server-side XML transformation or authoring. AxKit, a mod_perl and Apache-based XML content delivery solution, was designed to meet that need...
