Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Salvaging of Civilization the Probable Future of Mankind The two years of want, confusion, and indecision that have followed the great war in Europe and Asia, and the uncertainties that have disturbed life even in the comparatively untouched American world, seem to many watchful minds even more ominous to our social order than the war itself. What is happening to our race? they ask. Did the prosperities and confident hopes with which the twentieth century opened, mark nothing more than a culmination of fortuitous good luck? Has the cycle of prosperity and progress closed? To what will this staggering and blundering, the hatreds and mischievous adventures of the present time, bring us? Is the world in the opening of long centuries of confusion and disaster such as ended the Western Roman Empire in Europe or the Han prosperity in China? And if so, will the debacle extend to America? Or is the American (and Pacific?) system still sufficiently removed and still sufficiently autonomous to maintain a progressive movement of its own if the Old...
