Brand New Book ***** Print on Demand *****.This is the first book in an exciting trilogy of a quest to save a sacred world and the human race! 10-year old, Ally, has ADHD, an attention disorder, and doing homework is pure torture. However, homework soon becomes a faded memory when Ally and her best friend, her dog, Kodak, find themselves in another world. This new world, known as Figmalia, is a place where animals talk and all the creatures that lived inside story books are real. An unknown dark force is draining Figmalia of its magic by throwing off the balance of good and evil. Many of the creatures of this world believe Magikum, the wizard ruler of Figmalia, will bring peace to the land with just a swipe of his hand. Unfortunately, the natural balance of magic can only be restored by collecting all of the crystals of Figmalia, a task that can only be completed by a human child. Ally quickly comes to find she is not just guest, but the Child of Harmony, the only one who can help save this sacred world! Ally is doubtful of her own abilities, but puts her faith in her new found friends that agree to support her on her quest. Join Ally as she encounters dragons, fairies and evil hounds as she tries to save the magic of Figmalia, as well as what little magic is left in our own human world! This is the first of three books in the Figmalia series. A great book for kids who are struggling with the frustrations of ADHD or for any kid who just loves to get lost in a world of fun and fantasy! Make reading...
